for:

If you wish, speak aloud or silently, in your mind if necessary,
the following prayer to your heavenly father:

Dear Lord Jesus, thank You that You died for me
and rose again and forgave me all my sins.

I ask You to forgive me for everything I have thought
I have thought, said, done or felt.

Please take away all negative attachments in spirit, soul and from my body
and fill me now with Your love and Your holy Spirit,
Your joy and supernatural gifts.

Thank You for being my King and Friend and allowing me to tell You everything.
Protect me day and night by the overcoming power of Your holy blood
and make me strong to tell at the right moment,
that I have now become Your beloved child.

Help me every day to direct my thoughts positively towards You
and to live gratefully, knowing that You can turn
all situations for the best for me, because I love You.

Thank you for this.

Help me to live with you.

In Jesus' Name, Amen
